

## **November 2020**

Dear Silfiacoises, dear Silfiacois.

Once again we are confined, prevented from sharing celebrations and meeting those we love as we would like.

As in the spring, the entire municipal team - elected officials and employees - is at your side.

Do you need information, a travel certificate or to meet your elected officials to discuss a particular situation? The Mairie is your single point of entry: it remains open to the public and can be contacted by telephone during normal working hours.

Together, let us remain united and mindful of our frail or isolated neighbours. A short phone call to check up is never out of place!

The municipal team
